ALCHYMIL
hindware
DESIGNED TO INSPIRE
DESIGNED TO INSPIRE
Alchymi, a range of exquisitely designed bathroom suites that promise to define the next generation of super premium bathrooms. With its seamless combination of revolutionary forms, bold colours and never-before-seen textures, Alchymi will change the way people experience bathrooms.

It all comes from its design philosophy, FloSense, which focuses on the perfect combination of the finest of materials, exquisite craftsmanship and the best-in-class technology.

Capturing the design philosophy and bringing it to life with his unique personal touch is one of the most renowned names in Indian Fashion Industry, Manish Malhotra.

Alchymi bathrooms have been curated by Manish Malhotra in the Hindware Design Studio, and hence his aesthetic sensibilities and flair get reflected in them.
Curated by renowned designer Manish Malhotra as per the latest trends in the bathroom space across the globe.

Colour coordinated bathroom suites inspired from the unique design philosophy of FloSense – an amalgamation of finest materials, exquisite craftsmanship and the best-in-class technology.

Distinct colour palettes in bold black, earthen brown and mesmerising hues of white.

Unique combination of materials such as - marble with ceramics.

Unique carbon polymer inserts and chrome finished products for best-in-class functionality.

One of a kind ‘Aroma Slots’ in water closets and faucets for a refreshing experience every time you step in to your Alchymi Bath Suite.

Matte finish on select water closets and wash basins for a classy bathing experience.

Sharp contours and shapes to match every taste - geometric, square, round, rectangle, sleek and thin.

Distinct themes with a dedicated signature style for every bathroom suite.
Black is back with Alchymi’s Black Pearl collection. Curated by Manish Malhotra in the Hindware Design studio, the fittings and faucets of the Black Pearl combine many shades of black to give your bath space a bold look.
Bold blacks and matte finished textures of the Black Pearl exude confidence, making it an urbane dream come true.

The combination of fittings and faucets in Alchymi’s Symphony collection are arranged how a maestro would arrange his notes. Curated by Manish Malhotra in the Hindware Design Studio, Symphony is the new definition of elegant bath spaces.
The ovals and circles of Symphony resemble an instrumental ensemble ready to play a beautifully arranged set of notes.
